

Rex Orange County - Never Had The Balls

tom:
Capostrate na 5ª casa
Intro: C F C F

[Primeira Parte]

I was lost, felt nothing at all but
I'm coming back now, yeah, I'm in the background
No need to react now that everything's done (but let me say)
I thought it would be simple enough
And I had to grow up
Just to learn all the ways that it's not
But I never thought that I'd wanna call it quits in my whole life
I never aimed to feel confused, I blame myself to tell the truth
But now I know that everything's hard when you're living in the dark
And you don't even wanna see it through
If that had to be the way I'd be feeling for days
And I knew it back then, I probably wouldn't do it

[Refrão]

C But I never got the chance to tell you
C I never had the balls to tell you
F No, I never had the balls to tell you

[Segunda Parte]

C I did everything that I could, but still
F I was helpless (so helpless)
C I shouldn't waste my precious time
F On anybody living off of mine
C And now I know that things are getting better
I could live like this forever
F Yeah, yeah, yeah, yeah
Em When I found my own way out
F Was to open my mouth and be honest
G I had to go and do it, yeah

[Ponte]

Dm Please, don't be afraid", she reassures me
C I know it's hard to play pretend
C Dm7 I promise you it's due to end
G C And winners never quit, you know, so quitters never win
(It's only getting better now for you)

[Terceira Parte]

C I'm your man if you're looking for good times
F Feel amazing and I'm on my way home
F Yeah, I'm finally in the zone
C I heard the word "goodbye" and felt surprised
F That I wasn't even sad in the slightest

F Only being polite, I'd be giving in
I'm never gonna do it
