A  
When we first spent the night  
D Bm A  
Nothing else would ever feel that way  
D Bm  
In my room it all changed

Dbm Gb7  
And I could see something in your eyes  
Bm E7  
I knew that nothing else would be the same

A D Bm  
But I wish that I could grow up, the way in which you grow up

A  
Cause then you'd never see me cry

D Bm  
And I'd feel like a better guy

A D B(b5)  
Cause nothing, nothing

A  
Oh, nothing, no

D Bm  
I said that nothing else would ever be the same

A  
When we first spent the night  
D Bm A

A D B(b5) A D Bm  
Nothing seems to be as floral as you, babe  
A D Bm  
A scarlet love and dew-light touches were so sacred

I could never leave your face  
D Bm  
Shower you with my warm embrace, babe

Dbm Gb7  
And I still see that in your eyes  
Bm E7  
I hope that nothing will ever change  
A D B(b5)  
Cause I wish that I could grow up, the way in which you grow up  
A D B(b5)  
Cause then I'd love myself and I, I'd feel like a better guy
