I want to know  
Where I can go  
When you're not around  
And I'm feeling down  
So won't you stay for a moment  
So I can say  
I, I need you so  
'Cause right now you know that nothing here's new  
And I'm obsessed with you  
Then I fell to the ground  
And she smiled at me and said

Waiting for a minute till the sun's seen through my eyes  
And so she sat me down and told me that I didn't have to cry  
Said I didn't need to get down and feel empty inside  
And told me that she love me for as long as she's alive  
And well, maybe she's right, cause I hate it when I feel like  
I'm not me  
See, I honestly, don't even know why  
I, I honestly don't even know why
