Intro:

I want to know
Where I can go
When you're not around
And I'm feeling down
So won't you stay for a moment
So I can say
I, I need you so
'Cause right now you know that nothing here's new
And I'm obsessed with you
Then I fell to the ground
And she smiled at me and said

I don't wanna see you crying
You don't have to feel this emptiness
She said I love you till the day that I die
Maybe she's right

Cause I don't wanna feel like I'm not me
And to be honest I don't even know why
I let myself get down in the first place

Trying to keep my mind at bay
Sunflowers still grows at night
Waiting for a minute till the sun's seen through my eyes
Make it down down, do-do-down
Make it do-down, du du du
Waiting for a minute till the sun's seen through my eyes

You know you need to get yourself to sleep and dream

Acordes

And dream of you and I
There's no need to keep an open eye

Just let me hold you in these arms tonight
I'm lucky to be me
And you can see it in my face
Back when I fucked my shit up too many times
Why would I let myself get down in the first place

Trying to keep my mind at bay
Sunflowers still grows at night
Waiting for a minute till the sun's seen through my eyes
Make it down down, do-do-down
Make it do-down, du du du
Waiting for a minute till the sun's seen through my eyes

And so she sat me down and told me that I didn't have to cry
Said I didn't need to get down and feel empty inside

And told me that she love me for as long as she's alive

And well, maybe she's right, cause I hate it when I feel like I'm not me

See, I honestly, don't even know why

I, I honestly don't even know why

Trying to keep my mind at bay
Sunflowers still grows at night
Waiting for a minute till the sun's seen through my eyes
Make it down down, do-do-down
Make it do-down, du du du
Waiting for a minute till the sun's seen through my eyes
