

Rhett Walker Band - All Joy No Stress

tom:

[Primeira Parte]

I got that good news smile on my face
 I got that feeling that the world can't erase
 There ain't a single day I let it go to waste
 I got that good news smile on my face

[Segunda Parte]

I got that beat, beat, beating in my heart
 I got that gospel song rocking in my car
 A little light gonna get me through the dark
 I got that beat, beat, beating in my heart

[Refrão]

All joy, no stress
 No worries, I'm blessed
 From early in the morning
 'Til the crickets and the sun done set, yeah
 All joy

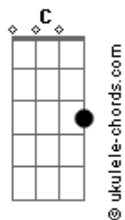

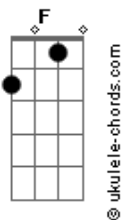

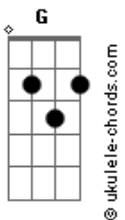

[Terceira Parte]

I'm gonna thank God Almighty for the good days
 I'm gonna thank God Almighty for the bad
 Hand out the window waving bye to my old ways
 Yeah, thank God Almighty, I ain't ever going back

[Refrão]

All joy, no stress
 No worries, I'm blessed
 From early in the morning
