

Ricardo Augusto - Pra Mim Já Chega

Tom: A
Intro: E Dbm A B B7

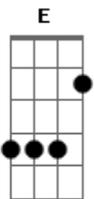

Essa lágrima nos olhos é sinal de solidão
O amor que me invade se tornou ilusão
De que vale na verdade me entregar de coração
Se o amor que tenho em mim só me traz desilusão

Pra mim já chega estou no meu limite
Não quero mais te amar
não quero mais sofrer assim
Pra mim já chega cansei de andar sozinho em busca de carinho
De alguém que queira amar...
... e ser feliz.
