

Ricardo Borges - Ariana

Tom: D

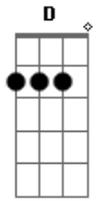

m

Universo paralelo, vastidão do espaço
 O silêncio é paz e o aconchego é um abraço
 Seus olhos que guiam meus passos
 Olhos que guiam

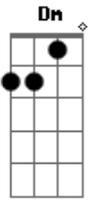

Dança entre planetas, corre Vênus é meu cais

Dm E7 Gm C7 Am
 Arianamente descarrega sua graça
 Seus lábios transpiram fumaça
 Gm C7 Am Bb
 Brilha acesa nossa vela
 Unem -se os astros
 E num leito tão sagrado
 Deita -se em meus braços
 Eternamente seus, eternamente seus
