

RICARDO FERREIRA DOS SANTOS - Princípio

tom: G

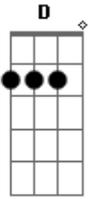

Andar no teu jardim no final da tarde
 Falar sobre mim e te adorar
 Ouvir do Criador, sentir teu perfume

ouvir sobre ti e ti adorar
 voltar ao principio, entrar e banhar-me
 No rio de Deus que jorra do trono
 Subir a montanha, sentar junto abismo e confiar em ti
 E ter tuas mãos sobre mim, me faz descansar
 Saber que é o lugar que quero estar
