

Ricardo Peixoto - A Luz do Advento

tom:

G

[Primeira Parte]

No silêncio da noite que começa
Tua luz desponta em nosso olhar
Somos povo que espera tua vinda
És o Deus conosco a se aproximar

[Refrão]

Vem, Senhor, no Pão que nos renova
Tua presença acende o coração
No Advento, desperta em nós a vida
Tua promessa é nossa comunhão

[Segunda Parte]

Teu amor visita o nosso tempo
És o Pão que nos leva a missão

Vigilantes, seguimos Teu caminho

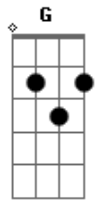

Esperando a paz que Tu nos dás

Vem, Senhor, no Pão que nos renova
Tua presença acende o coração
No Advento, desperta em nós a vida
Tua promessa é nossa comunhão

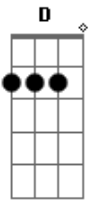

Prepara, Senhor, nossa casa interior
Que o Teu Reino floresça em nós
És a luz que vence a madrugada
Vem, Emanuel, ouvir nossa voz

Vem, Senhor, no Pão que nos renova
Tua presença acende o coração
Somos todos, vigia das promessas
Tua chegada é nossa salvação
