          Em  D  G  D  C

          A7
Come on down
       Em
I am waiting
            A7
I've been so down
        G        D          C
and I need some truth from you
         G       D       C
Cause' my time is used and abused

Don't you know

Em  D  G
I
       G            D
I got to paint me on
       Em  D  G
When I smile
                     D
I've got to paint it on
          C
If I cry
         Em       D        C
I got to paint me on, my tears
               Em         D
It's not that I'm hidding, oh no
               C
I'm just too stoned

         A7                  Em
I'm not running, and I'm not stucked
            A7             G      D
I have been running, to all my used
              C
As much we all use
             G        D
It's just the same old song
          C
Sad but strong

Don't you know
