

Richie Sambora - Seven Years Gone

tom:

Am (forma dos acordes no tom de Bbm)

Afinação: Eb Ab Db Gb Bb Eb

Intro: Bbm G Db Ab

[Primeira Parte]

Another changin' season
Slippin' through my life
Can't recall believin'
That I'd make it here alive
A steady wind is blowing
The clouds don't look the same
You can't deny a thunder
When you're livin' through the rain

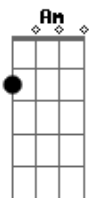

Like a moth dances with the light
Sometimes a shadow burns too bright
Shared silence in my night
You wake up, move on
The seven years gone
Seven years gone

[Segunda Parte]

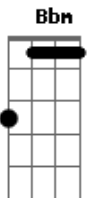

Hung up calling in reeling
They wound you deep inside
Can't find a road to heal
When you're blinded by your pride
The hour glass is broken
Sand is slipping through your hands

While you're chasing what's been stolen
Change is making, making all the plan

Like a moth dances with the light
Sometimes a shadow burns too bright
Shared silence in my night
You wake up, move on
The 7 years gone
(Bbm Ab Bbm Db Bbm Ab Bbm Db)
Time, time
Time, time ticking
Time, time ticking away
That's life, it's all about living
Taking it day by day
Blind, blind
Leave it behind
Singing a different song
One day, you're waking up
The seven years
Seven years gone
Like a moth dances with the light
Sometimes a shadow burns too bright
Shared silence in my night
You wake up, move on
Time's a train travellin' a way too fast
Tearing moments from the past
While today is singing yesterday's song
Growing up, coming home
The seven years gone
Seven years gone
The seven years gone
Seven years gone
