Rick and Morty - Tiny Rick Song

Tom: D
Intro: Alright everybody, this next one's coming straight from
the heart
Making the lyrics up right off the top of my head

```
     D              Bm             G              A
Let me out, what you see is not the same person as me
              D              Bm         G           A
My life's a lie, I'm not who you're looking at let me out, set
```
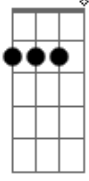

me free, I'm really
```
D              Bm          G             A
old This isn't me My real body's slowing dying in a vat
```

```
     G       Bm         A         D
Is anybody listening, can anyone understand
     G                  Bm             A
Stop looking at me like that and actually help me
A       D
Help me, help me I'm gonna die!!
```
