

# Rick Astley - Cry For Help

Tom: C  
Intro: G C F Dm

G  
She's taken my time.  
Convince me she's fine.  
But when she leaves  
I'm not so sure.  
It's always the same.  
She's playing her game.  
And when she goes  
I feel to blame.  
Why won't she say she needs me?  
I know she's not as strong as  
she seems.  
Why don't I see a cry for help?  
Why don't I feel a cry for help?  
Why don't I hear her cry for  
help  
I wandered around  
The streets of this town  
Trying to find  
Sense of it all.  
The rain on my face,  
It covers the trace, of all the tears  
I've had to waste.  
Why must we hide emotions?  
Why must we never break down  
and cry?  
All that I need is to cry for help.  
Somebody please hear me cry  
for help.  
All I can do is cry for help.  
No need to feel ashamed.  
Release the pain and  
Cry for help, cry for help  
Is all I need.  
All I need  
Is a cry for help.

G  
Cry for help  
Is all I need.  
All I need  
Is a cry for help.  
Why must we hide emotions?  
Why can't we ever break down  
and cry?  
All that I need is to cry for help.  
I will be there when you cry  
Why don't I hear her cry for help?  
All that I need is to cry for help.  
Somebody please hear me cry for help.  
All I can do is cry for help.  
All that I need is to cry for help.  
I will be there when you cry  
for help.  
Is it so hard to cry for help?

G  
Cry for help  
is all I need.  
All I need  
Is a cry for help  
Cry for help  
...No need to feel ashamed  
Is all I need  
All i need  
...Come on and release the pain  
Is a cry for Help  
Cry for help  
...Now put your trust in me  
Is all i need  
All i need  
...My love is gonna set you free
