Intro: **Em - B7 - Em**

**Em** - **B7**  
1. Talk to me, tell me your name, you blow me off like it's all the same,

**Em**  
you lit a fuse, and now I'm tickin' away, like a bomb, yeah baby

**Em** - **B7**  
Talk to me, tell me your sign, you're switchin' sides like a Gemini,

**Em**  
you're playin' games and now you're hittin' my heart, like a drum, yeah baby !

**Am** **Em**  
Well if Lady Luck gets on my side, we're gonna rock this town alive,

**Gb**  
I'll let her rough me up, till she knocks me out, **B7**  
she walks like she talks, and she talks like she walks.

And

**Em**  
She bangs, she bangs, oh baby, **B7**

when she moves, she moves, I go crazy, 'cause she looks like a flower but she stings like a bee,

**Em**  
like every girl in history.

**Em**  
She bangs, she bangs, I'm wasted by the way she **B7**

moves, she moves, no one ever looked so fine, she reminds me that the woman's got

**Em**  
one thing on her mind.

**Em** - **B7**  
2. Talk to me, tell me your name, I'm just a link in your daisy chain,

**Em**  
your rap sounds like a diamond map, to the stars, yeah baby !

**Em** - **B7**  
Talk to me, tell me the news, you wear me out like a pair of shoes,

**Em**  
we'll dance until the band goes home, then you're gone, yeah baby !

**Am**  
Well, if it looks like love should be a crime, **Em**

you'd better lock me up for life.

**Gb**  
I'll do the time with a smile on my face **B7**

thinkin' of her in her leather and lace
