

Ricky Martin - You Stay With Me

Tom: C

Verse 1:

Dm **E**
Met you under - neath the moon
Am
Night was over much too soon
Dm **E**
We shared a kiss till daylight came
Am
And kissed the night goodbye
Dm **E**
When the sun came up that day
Am
We smiled and went our separate ways
Dm **E** **Am**
But I can't leave the thought of You be - hind

Chorus:

Dm **E** **Am** . . .
Oh - - - you stay with me, You stay with me
Dm **E** **Am** . . .
Oh - - - in my heart, and on my mind

Dm **E** **Am** . . .
Oh - - - like a melody that keeps haunting me
Dm **E** **Am** . . .
Oh - - - you stay

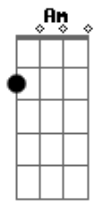

Verse 2: [**Dm** - **E** - **Am**]

I look inside the small cafes
And hope by chance I'll see your face
I hear your voice and realize it's just the summer wind
Something in your eyes that night swept away this heart of mine
Now I just want you in my arms again

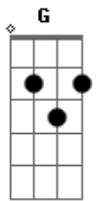

Bridge:

F **G** **C2**
How was I to know in that one night my whole life would change
F **E** **Am**
From the moment I looked in your eyes I've never been the same
F **E** **Am** **Am**
And if I could have one chance to have that moment back a - gain
Dm **F** **G** [**Dm** - **E** - **Am**]
I'd never let it end, I'd never let it end
