

Ricky Montgomery - Last Night

tom:

Gb (forma dos acordes no tom de F)

Capostrate na 1ª casa

I was born in '53
 With all my life in front of me
 I thought you'd care to notice
 I just want you to notice me
 Mama, maybe it's today
 Maybe today he'll say
 'I don't know what I'd do without you
 Don't know what I'd do without the words that I hear right now
 I'm sorry I've been gone, and I'm coming home
 I'm coming home

Last night, I was fine
 Dropping lines and getting mine
 This goal, bet it's a role
 Smoking kine and actin' so disgraceful
 Oh, oh, she knows time is on my side
 Oh, oh, oh, she knows she's lost control

She's lost control
 She's lost control

(F G C E)

Isn't it so interesting the way he branded all that he touched?
 Oh, well, somewhere in my heart of hearts

I knew it all along, but I'm still finding out
 Maybe it's something else this time
 Maybe it's something I can't find
 Maybe it's something, maybe it's something
 Maybe it's nothing

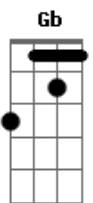

Baby, it's nothing new
 Since the start it was all planned out and always hard
 I'm sorry I've been gone
 I'm coming home, I'm coming home

Last night, I was fine
 Dropping lines and getting mine
 This goal, bet it's a role
 Smoking kine and actin' so disgraceful
 Oh, oh, she knows time is on my side
 Oh, oh, oh she knows she's lost control

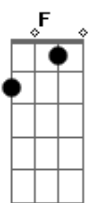

Last night, I was fine
 Dropping lines and getting mine
 This goal, bet it's a role
 Smoking kine and actin' so disgraceful
 Oh, oh, she knows time is on my side
 Oh, oh, oh, she knows she's lost control

Take me
 Take me
 Take me
 Take me home
