

Ricky Shayne - Mamy Blue

Tom: **G**

Em
I May be your forgotten son

Who wandered off at twenty one

D
It's sad to find myself at home

Em
Oh Mom...

If I could only hold your hand
And say I'm sorry yes I am
I'm sure you really understand
Oh mom, where are you now?

Em **Am** **B7** **Em**
Oh mamy, oh mamy, mamy blue, oh mamy blue. 2x

The house we shared upon the hill
Seems lifeless but it's standing still
And memories of childhood days
fill my mind, oh mamy, mamy, mamy

I've seen enough of different lights
Seen tired days and lonely nights
And now without you by my side
I'm lost, how can I survive?

Em **Am** **B7** **Em** **Gbm**
Oh Mamy...

Gbm
Nobody who takes care of me

Who loves me, who has time for me?

E
The walls look silent at my face

Gbm
Oh mom, so dead is our place

The sky is dark, the wind is rough
And now I know what I have lost
The house is not a home at all
I'm leaving, the future seems so small

Gbm **Bm** **Db7** **Gbm**
Oh mamy, oh mamy, mamy blue, oh mamy blue

Acordes
