                                                                 This is the life I live
Setting fire to all the buildings
                                                                                                                           Eb

                                                                 And that's just the half of it
Yeah I guess you saw me stealing
                                                                         Rhm
But you've no idea what I've been needing
                                                                 Oh you know me, I'm the life of the party
Talk about when we were children
                                                                 Beautiful people surround me
Not the kinda kid that you believe in
                                                                 Everybody falling in love
You saw me on a television
                                                                 Oh you know me, everybody knows that I'm crazy
