

Rihanna - Hatin On The Club

Tom: **G**

G
Now this will be the last time you did me wrong **Em**
C
No more laying up in your arms
D
No calling, saying you want me back
G
I'm packing my bags, what you think about that?
Em
I stayed at home like a good girl do
C
But tonight baby you got me sad and blue
D
I just heard about the girl in your car, yall kissing at the bar
G D
Got me crying
(chorus)
G **Em**
Oh, you got me hatin' on the club
C
'Cause you took my love
D
Oh you took my love
G
Now you got me like whoahhh(why..)
Em
You got me hatin' on the club(why..)
C
You took my love(why..)
D
Why'd you have to take my love(why..)
Whoahh...
And you can be mad at me all you want
I ain't coming in, I'll be waiting out front
Coming out the door with your girlfriend

You did me wrong boy tell me where our love went

I stayed at home like a good girl do
But tonight baby you got me sad and blue
I just heard about the girl in your car, yall kissing at the bar
Got me crying

(chorus)
Oh, you got me hatin' on the club
'Cause you took my love
Oh you took my love
Now you got me like whoahhh(why..)
You got me hatin' on the club(why..)
You took my love(why..)
Why'd you have to take my love(why..)
Whoahh...

Now this is the sound of a broken heart
There's only one reason why we're apart
She never woulda made it to your car
If it wasn't for the club, I'd still have my love(I'd still have my love)
We would still have us(We would still have us)
I'd still have my love(I'd still have my love)
We would still have us

But now we're like whoah

Oh, you got me hatin' on the club
You took my love
Oh you took my love

You got her hatin
Boy you got her hatin on the a
You got her hatin
Boy you got her hatin on the a
You got her hatin
Boy you got her hatin on the club, club, club, club

Acordes
