Intro: Am C G F

Am C  
Baby, baby when we first met  
G F  
I never felt something so strong  
Am C  
You were like my lover and my best friend  
G F  
All wrapped into one with a ribbon on it  
Am C  
And all of a sudden you went and left  
G F  
I didn't know how to follow  
Am  
It's like a shock that spun me around  
C  
And now my heart's dead  
G F  
I feel so empty and hollow  
  
Am C  
And I'll never give myself to another  
C  
The way I gave it to you  
G F  
Don't even recognize  
  
The ways you hurt me, do you?  
Am C  
It's gonna take a miracle to bring me back  
G F  
And you're the one to blame  
Am  
And now I feel like, oh  
C  
You're the reason why I'm thinking  
G F  
I don't wanna smoke on these cigarettes no more  
Am C  
I guess that's what I get for wishful thinking  
G F  
Should've never let you enter my door  
Am C G  
Next time you wanna go on and leave  
F  
I should just let you go on and do it  
Am C G  
Cause now I'm using like I bleed  
F Am  
It's like I checked into rehab  
C G  
Baby you're my disease  
F Am  
It's like I checked into rehab  
C G  
Baby you're my disease  
F Am  
I gotta check into rehab  
C G

'Cause baby you're my disease  
F Am  
I gotta check into rehab  
C G  
'Cause baby you're my disease  
Am C G  
Damn, ain't it crazy when you're loveswept  
F  
You'll do anything for the one you love  
Am C  
'Cause anytime that you needed me I'd be there  
G F  
It's like you were my favorite drug  
Am C  
The only problem is that you was using me  
G F  
In a different way that I was using you  
Am C  
But now that I know that it's not meant to be  
G G  
You gotta go, I gotta wean myself off of you  
  
Am C  
And I'll never give myself to another  
C  
The way I gave it to you  
G F  
Don't even recognize
