

Rihanna - Take a Bow

```
Tom: C
                                                                    and Don't tell me you're sorry 'cause you're not,
C G Bb2
                 G
How about a round of applause,

G Bb2
A standin' ovation.
                                                                    Baby when I know you're only sorry you got caught, \ensuremath{\text{\textbf{C}}}
                                                                    You look so dumb right now,
C G Am F
Standin' outside my house,
                                                                    You really had me goin',
                                                                    But now it's time to go
       G
Tryin' to apologize,
Am F
                                                                    Curtain's finally closin'
You're so ugly when you cry,
C G Bb2
                                                                    That was quite a show
                                                                    Am F Dm
Please, just cut it out.
                                                                    Very entertainin',
                                                                     C F
                                                                    But it's over now (but it's over now),
F C Bb2
{refrão}
and Don't tell me you're sorry 'cause you're not,
C G Bb2
                                                                    Go on and take a bow,
Baby when I know you're only sorry you got caught, \ensuremath{\text{\textbf{C}}}
                                                                    And the award for the best liar goes to you (goes to you),

C F G Am

For makin' me believe that you could be faithful to me,

Bb2
But you put on quite a show
  Am F
You really had me goin',
                                                                    Let's hear your speech out,
C G Am F
But now it's time to go
                                                                    How about a round of applause, C G Bb2
Curtain's finally closin'
                                                                    A standin' ovation.
That was quite a show
Am F Dm
Very entertainin',
                                                                    But you put on quite a show
 C F
                                                                     Am F
But it's over now (but it's over now),
                                                                    You really had me goin',
         C Bb2
Go on and take a bow, ohh ohh.
                                                                    now it's time to go
                                                                    Curtain's finally closin'
{Verse 2}
Grab your clothes and get gone (get gone), \mathsf{C}
                                                                    That was quite a show
                                                                    Am F Dm
You better hurry up before the sprinklers come on (come on), \ensuremath{\text{C}}
                                                                    Very entertainin',
                                                                     C F
Talkin' 'bout girl, I love you, you're the one,
                                                                    But it's over now (but it's over now),
                                                                    F C Bb2
This just looks like the re-run,
                                                                    Go on and take a bow.
Please, what else is on.
           G Bb2
                                                                    Dm C F
                                                                    But it's over now.
