

Rihanna - What's My Name

```
Looking for a guy to put in work
Intro: Gbm A D
                                                                Oooooh, oooooh
    Gbm
Ooh na na, what's my name
                                                                Ooh na na, what's my name
Ooh na na, what's my name
                                                                Ooh na na, what's my name
Ooh na na, what's my name
                                                                Ooh na na, what's my name
Ooh na na, what's my name
                                                                Whats my name, whats my name
Ooh na na, what's my name
                                                                         Gbm
                                                                Baby you got me, ain't nowhere that i'd be
Ooh na na, what's my name
                                                                                      D
                                                                Then with your arms around me
Whats my name, whats my name
                                                                Back and forth you rock me
                                                                         Gbm
I heard you good with them soft lips
                                                                So i surrender, to every word you whisper
Yeah vou know word of mouth
                                                                Every door you enter, i will let you in
The square root of 69 is 8 something
                                                                Hey boy i really wanna see if you can go downtown with a girl
Cuz i've been tryna work it out, oooow
Good weed, white wine
                                                                Hey boy, i really wanna be with you
                            n
I come alive in the night time okay, away we go
                                                                Cause you just my type ooh na na na na
Only thing we have on is the radio
                                                                I need a boy to really take it over
Ooooh, let it play, say you gotta leave but i know you wanna
                                                                Looking for a guy to put in work
                                                                Oooooh, oooooh
You just waiting on the track to finish girl
The things we could do in twenty minutes girl
                                                                You're so amazing, you took the time to figure me out
Say my name, say my name
                                                                That's why you take me, way past the point of turning me on
                                                                You bout to break me, i swear you got me losing my mind
Wear it out, its getting hot, crack a window, air it out
I can get you through a mighty long day
                                                                Ooh na na, what's my name
Soon as i go the text you already is gon say?
                                                                Ooh na na, what's my name
        Gbm
Not everybody knows how to work my body
                                                                Ooh na na, what's my name
                                                                Ooh na na, what's my name
Knows how to make me want it
                                                                Ooh na na, what's my name
Boy you stay up on it
              Ghm
You got that something that keeps me so off balance
                                                                Whats my name, whats my name
Baby you're a challenge, lets explore your talent
                                                                Hey boy i really wanna see if you can go downtown with a girl
Refrão 2x:
                                                                like me
   Ghm
