

Rihanna - Your Love

```
Intro: Dm B F C
City lights don't shine as bright when we're apart
Baby, you have got the keys to my heart
Promise that you'll never leave me in the dark
And If I need your light be my star
Pré-Refrão
You say you love me, love me, love me
But that don't do nothing for me
You've gotta do more than tell me what you're feelin'
Cause if you want me, want me, want me,
I better become your only
That's the only way that i'll be waiting 00hhhh
Refrão
Cause I would just die without it,
And there ain't know doubt about it
Your love, your love, your love
Cause I would never make it without it,
And there ain't know doubt about it
Your love, your love, your love
Like a flame that flickers in
Come on light my fire
Love me like there is no end
