

## **Riley Clemmons - Fighting For Me**

```
And my strengths not enough
                            tom:
               Dbm
                                                               I see You showing up like never before
Intro: A B Dbm B
                                                                     R
                                                               This battle for my heart
[Primeira Parte]
                                                               You took on from the start
                           B Dbm
                                                                         Dbm
I need the kinda love that can outlast the night
                                                               You are the peace when my mind's at war
                          B Dbm
I need the kinda love that is willing to fight
                                                               And ohhhhhhhhhhhhh
[Pré-Refrão]
                                                               [Refrão]
                                                                         Gbm
                                                                You will never stop fighting for me
When the going gets tough
                                                               When I can't fight for myself
And my strengths not enough
                                                                    Gbm
                                                               Every word is a promise You keep
I see You showing up like never before \frac{B}{A}
                                                               Cause You love me like nobody else
This battle for my heart
                                                                                    Gbm
                                                               You stand up for me in the darkest night
You took on from the start
                                                               When my faith is weak You're still by my side
            Dbm
You are the peace when my mind's at war
                                                                       Gbm
B E And ohhhhhhhhhhhh
                                                               You will never stop fighting for me
                                                               You will never stop fighting for me
[Refrão]
                                                               [Ponte]
          Gbm
You will never stop fighting for me
                                                                Your love
When I can't fight for myself
 Gbm
                                                               Is winning me over
Every word is a promise You keep
                                                                 Your heart
Cause You love me like nobody else
                                                               Is pulling me closer
                    Gbm
You stand up for me in the darkest night
                                                               [Refrãol
When my faith is weak You're still by my side
You will never stop fighting for me
                                                                You will never stop fighting for me
You will never stop fighting for me
                                                               When I can't fight for myself
                                                                     Gbm
(Gbm Dbm B A)
                                                               Every word is a promise You keep
                                                               Cause You love me like nobody else
In the perfect timing You make all things right
                                                                                    Gbm
                                                               You stand up for me in the darkest night
You paint a silver lining in this heart of mine
                                                               When my faith is weak You're still by my side
[Pré-Refrão]
                                                                        Gbm
                                                               You will never stop fighting for me
When the going gets tough
                                                               You will never stop fighting for me
                                                               [Final] Gbm Dbm B A
```
