

# Riley Clemmons - Keep On Hoping

tom:  
F

[Primeira Parte]  
F  
The weight of the world is getting heavier now  
Gm  
Feels like it's far too much to carry around  
Dm  
And each and every little time that you fall starts  
Bb  
Looking like the end of it all

[Segunda Parte]  
F  
Somewhere hidden in the noise there's a truth  
Gm  
Someone to believe and hang onto  
Dm  
In each and every little word that you hear  
Bb  
I pray that one thing would be so clear

[Pré-Refrão]  
F  
With all those voices in your head  
Gm  
Just don't, don't ever forget  
Dm  
That God's still good and He's still got it all in control  
Bb

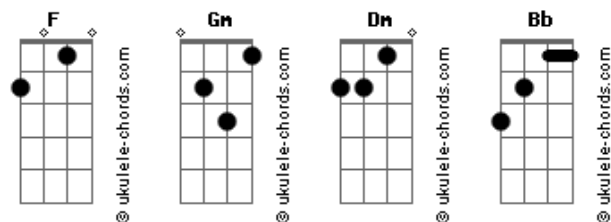

Oh

[Refrão]  
F  
Come on and keep on hoping when the days get dark  
Gm  
Keep on singing, don't you ever lose heart  
Dm  
Lift your eyes, the One who gave you life will give you  
Bb  
Strength to keep on going, so keep on hoping  
F

[Terceira Parte]  
F  
What if the miracle's a moment away?  
Gm  
What if the morning's just about to break  
Dm  
And all the innocence you thought that you lost  
Bb  
Was there inside of you all along

[Refrão]  
F  
Come on and keep on hoping when the days get dark  
Gm  
Keep on singing, don't you ever lose heart  
Dm  
Lift your eyes, the One who gave you life will give you
