Intro: G D Em Cadd9

Wish girls you loved never gave back diamond rings  
I wish every porch had a swing  
I wish kids still learned to say "sir" and "ma'am", how to shake a hand  
I wish every state had a Birmingham

Wish everybody knew all the words to Mama Tried  
I wish Monday mornings felt just like Friday nights

I wish even cars had truck beds  
And every road was named Copperhead  
And coolers never ran out of cold Bud Light

I wish high school home teams never lost  
And back road drinking kids never got caught  
I wish the price of gas was low and cotton was high

I wish honkytonks didn't have no closing time  
And I wish grandpas never died

I wish Sundays on a creek bank would never end  
Wish I could learn to drive again

I wish the first time, seventeen, she was my everything kiss in a Chevrolet  
It'd happen every day

I wish everybody overseas was gonna make it home  
I wish Country music still got played on Country radio  
I wish even cars had truck beds  
And every road was named Copperhead  
And coolers never run out of cold Bud Light

I wish high school home teams never lost  
And back road drinking kids never got caught  
I wish the price of gas was low and cotton was high

I wish honkytonks didn't have no closing time  
And I wish grandpas never died

Never died

I wish good dogs never got grey and old  
I wish farms never got sold  
I wish even cars had truck beds  
And every road was named Copperhead  
And coolers never run out of cold Bud Light

I wish high school home teams never lost  
And back road drinking kids never got caught  
I wish the price of gas was low and cotton was high

I wish honkytonks didn't have no closing time  
And I wish grandpas never died  
I wish grandpas never die
