

# Riley Green - Mississippi or Me

tom:  
Intro: G D Cadd9

[Primeira Parte]

I ain't gonna lie, when those headlights  
Pulled into my drive tonight  
Was a sight for sore eyes  
Last thing I thought I'd see  
And is something wrong, what brought you  
Home  
Was it tough out on your own  
Or did you drive all the way down here  
Just to see me

[Refrão]

Or was it the cotton fields stretchin'  
Nearly countywide  
Them cool Delta mornings  
Or the Jackson nights  
Did your interstate dreams turn into a  
Dead-end street  
Was it a midnight blanket  
On a river bank  
Two names on a Tupelo water tank  
Was it somethin' 'bout a boy back home  
That your heart still needs  
Were you missin' Mississippi or me

[Segunda Parte]

When you hit town was my house  
The first stop you thought about  
Or you already been by  
To see your momma and them  
And I want you to know in case you don't  
I sure hated to see you go  
Just tell me what it was that

Brought you back home again

[Refrão]

Was it the cotton fields stretchin'  
Nearly countywide  
Them cool Delta mornings  
Or the Jackson nights  
Did your interstate dreams turn into a  
Dead-end street  
Was it a midnight blanket  
On a river bank  
Two names on a Tupelo water tank  
Was it somethin' 'bout a boy back home  
That your heart still needs  
Were you missin' Mississippi or me

[Solo] G D Cadd9

[Ponte]

Are you back for good  
Or just passing through  
Do you need me like I need you

[Refrão]

Or was it the cotton fields stretchin'  
Nearly countywide  
Them cool Delta mornings  
Or the Jackson nights  
Did your interstate dreams turn into a  
Dead-end street  
Was it a midnight blanket  
On a river bank  
Two names on a Tupelo water tank  
Was it somethin' 'bout a boy back home  
That your heart still needs  
So before I take you back like that  
Baby, tell me one thing  
Were you missin' Mississippi or me

[Final] G D Cadd9
