

Rilo Kiley - Portions For Foxes

Tom: **D**

D - **A**
There's blood in my mouth 'cause I've been biting my tongue
all week
G - **D**
I keep on talkin' trash but I never say anything

And the talkin' leads to touchin'
A
and the touchin' leads to sex
D
and then there is no mystery left

REFRAO:

D
And it's bad news
A
Baby I'm bad news
G - **D**
I'm just bad news, bad news, bad news

D - **A**
I know I'm alone if I'm with or without you
G - **D**
but just bein' around you offers me another form of relief

When the loneliness leads to bad dreams
A
and the bad dreams lead me to callin' you
G - **D**
and I call you and say "C'MERE!"

CHORUS

D
And it's bad news
A
Baby I'm bad news
G - **D**
I'm just bad news, bad news, bad news
(2x)

B - **Db** - **D** - **A**
'Cause you're just damage control
B - **Db** - **D** - **A** - **D**
for a walking corpse like me - like you

D **E** **D** **Db** **B** **Db** **D** **E**

Portions for foxes

D
There's a pretty young thing in front of you
A
and she's real pretty and she's real into you
G - **D**
and then she's sleepin' inside of you

and the talkin' leads to touchin'
A
and the touchin' leads to sex
G - **D**
and then there is no mystery left

D
And it's bad news
A
I don't blame you
G - **D**
I do the same thing I get lonely too

D
And you're bad news
A
My friends tell me to leave you
G - **D**
That you're bad news, bad news, bad news

D
You're bad news
G
Baby you're bad news
D
and you're bad news
G
Baby you're bad news
D
and you're bad news
G
I don't care I like you
D
and you're bad news
G
I don't care I like you
A - **D**
I like you
