

# Rina Sawayama - Follow Me (Feat. Pablo Vittar)

tom:  
Fm (forma dos acordes no tom de Em )  
Capostrate na 1ª casa

Have you ever felt like, like you're not enough?  
Have you ever broken down, couldn't get up?  
Me, I got bad days, gets a little tough  
But I got a secret, babe, I dance it off  
(Ah, ah, ah)  
He asked me how I move like this  
(Ah, ah, ah)  
Where did you get confidence like this?  
(Ah, ah, ah)  
I said: Wouldn't you like to know?  
(Ah, ah, ah)  
Follow me and I'll show you how I do

If you wanna know what it takes  
To throw all your troubles away  
If you wanna set yourself free  
Follow, follow (follow me) me  
Back off the wall  
Work all your angles  
Walk cross the floor  
Naomi Campbell  
You serving face  
Like supermodel  
Dance with me, sway  
Follow me, let's go  
Follow me

Have you ever felt like, like you're not enough?  
Have you ever broken down, couldn't get up?  
Me, I got bad days, gets a little tough  
But I got a secret, babe  
And I'll show you how I do  
If you wanna know what it takes  
To throw all your troubles away
