

# Ringo Starr - A Man Like Me

tom:

Intro: Db Gb Db

[Primeira Parte]

Now you can count on me  
 I'll be there you see  
 On the stage of the Carnegie Hall  
 When the house lights go down  
 That's when I'll come on  
 'Cause I'm a man and I'm really quite small

[Refrão]

'Cause a man like me belongs to the world  
 And the world is a great place to be  
 And a man like me just sings for the world  
 That goes 'round and 'round for free

[Segunda Parte]

You can count on me  
 I'll be there you'll see

I'll be there when you need a friend

When you're feeling down  
 That's when I'll be your clown  
 And we'll sing our songs to the end

[Refrão]

'Cause a man like me belongs to the world  
 And the world is a great place to be  
 And a man like me just sings for the world  
 That goes 'round and 'round for free

A man like me belongs to the world  
 And the world is a great place to be  
 And a man like me just sings for the world  
 That goes 'round and 'round for free

'Cause a man like me belongs to the world  
 And the world is a great place to be  
 And a man like me just sings for the world  
 That goes 'round and 'round for free
