

Ringo Starr - Back Off Boogaloo

```
Tom: E
Intro: E
Back off Boogaloo, I said
Back off Boogaloo, come on
Back off Boogaloo-oo
Back off Boogaloo
What d'yer think you're gonna do?
I gotta flash right from the start
Wake up, meat head
Don't pretend that you are dead
Get yourself up off the cart
Get yourself together now
and give me something tasty
Everything you try to do
you know it sure sounds wasted
Back off Boogaloo, I said
Back off Boogaloo
```

Acordes

```
You think you're a groove,
standing there in your wallpaper shoes,
and your socks that match your eyes
(solo) E A E
Back off Boogaloo, I said
Back off Boogaloo, come on
Back off Boogaloo-oo
Get yourself together now
and give me something tasty
Everything you try to do
you know it sure sounds wasted
Back off Boogaloo
What d'yer think I'm gonna do?
I gotta flash right from the start
Back off Boogaloo, I said
Back off Boogaloo, come on
Back off Boogaloo-oo
                            (4x)
