```
tom:
Intro: F
[Primeira Parte]
Every time I see you walking down the street
I say, you're the kind of woman I just gotta meet
You look so good and you look so fine
And one of these days I'm going to make you mine
[Segunda Parte]
Your eyes are green and your legs are long
And if I'm going to get you, well, I got to be strong
But you're like the devil with horns in your head
The only way I'll get you is to get you in bed
[Refrão]
  Devil woman, you're like a stranger to me
  Devil woman, this ain't the way it should be
[Terceira Parte]
Every time I see you in the neighbourhood
I say, you're the kind of woman that makes me feel good
I want to beat you up then I want to be kind
And one of these days I'm going to make you mine
[Refrão]
