tom:

Intro: **Dm7** **Am7**

Dm7

I would sail across the world

Am7

Row this boat from dusk till dawn

Dm7

To a place where we belong

Am7

Girl your body is calling me

Dm7

There ain?t no sunshine, no sunshine

Am7

Where I was before

Dm7 **Am7**

But I found the love the warmth in your arms

Dm7

Won?t you come closer?

Am7

Let it take over

Dm7 **Am7**

I don?t need anything, I just want you

Dm7

When I saw her in my dreams

Am7

Never thought it meant a thing

Dm7

Till I felt and touched her skin

Am7

When she smiles, my knees go weak

Dm7

There ain?t no sunshine, no sunshine

Am7

Where I was before

Dm7 **Am7**

But I found the love the warmth in your arms

Dm7

Won?t you come closer?

Am7

Let it take over

Dm7 **Am7**

I don?t need anything, I just want you
