Intro: A7M  Bm7  D7M  E7

            A7M
I wanna be touched, be loved
         Bm7
I wanna heal, be hugged
             D7M
It's just the two of us
                 E7
Or that's what we swore

          A7M
And if I've lost my charm
         Bm7
Apologies due, no harm
                  D7M
'Cause you've got a hold of my heart
                E7
And I know it's worn

          D7M            A7M
So won't you, please, spare me indignity?
          D7M              A7M
And won't you, please, give me some decency?
          D7M                  A7M
And won't you, please, call it if our time is through?
            D7M            A7M
'Cause I know that we fall apart when nothing's new

Nothing's new

( D7M   A7M )

            A7M
I want to be close to you
               Bm7
But I don't know what to do
             D7M
'Cause if we are near to through
               E7
It may make it worse

            A7M
```
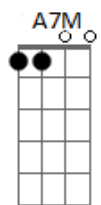

```
And if I start to grieve
                  Bm7
'Cause it feels you're 'bout to leave
                 D7M
Forgive me, I'm not naïve
               E7
I've been here before

          D7M            A7M
So won't you, please, spare me indignity?
          D7M              A7M
And won't you, please, give me some decency?
          D7M                  A7M
And won't you, please, call it if our time is through?
            D7M            A7M
