

Rise Against - Blind

Tom: C

What if I'm ^Fright and you are wrong?
 What if you ^Dknew it all along?
 What if I ^Ffigured out that I did not ^Gbelong?
 What if it ^Falways bothered me?
 What if I ^Dnever did believe?
 Would it be wrong if I ^Fdecided I should ^Gleave?

^A If I pretended I was ^Fblind
 And struck it from my ^Gmind
 Would it still be ^Cthere?
^A What if I'd do anything to make it seem all ^Gright
 It's all ^Cright
 What if it's all ^Finside my head?
 What if those words were never ^Dsaid?
 Would it be ^Feasier if I could just ^Gforget?
 What if I ^Fdidn't run away?
 Could it be ^Dany other way?
 Would it be ^Fwrong if I ^Gdecided I should ^Cstay?

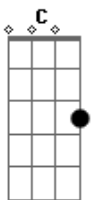

^A ^F

If I pretended I was ^Gblind
 And struck it from my ^Cmind
 Would it still be ^Fthere?
 What if I'd do anything to make it seem all ^Gright
 It's all ^Cright, it's all ^Aright
 It's all ^Fright, it's all ^Gright
 It's all ^Cright
