

# Rise Against - Dancing For Rain

Tom: **A**

(com acordes na forma de **Ab**)

Capostraste na 1ª casa

Rise Against

4:01)

Culture

This song is normally dropped but it is tabbed out with a capo on fret 1

Copywritten by Kaskokaz/

Sup guys.. this may seem like alot for such a \"simple song\" but if you listen carefullym there is alot of change in the lead guitar\'s riffs therfore i have to tab out all of the chorus, verse etc. if you have a trained ear, you\'ll notice it. If you dont, use another tab, because this one will confuse the hell out of you.

Just because its emo/punk doesnt mean its easy!
