

# Rise Against - Diaspora

Tom: G

(intro)

(verse 1)  
(you can strum this or use the chords)

or

G C  
Warm yourself by the fire son,  
D C  
And the morning will come soon.  
G C  
I'll tell you stories of a better time,  
D C  
In a place that we once knew.

(verse 2) (a little more distorted for electric)

G C  
Before we packed our bags and we left all this  
D C  
Behind us in the dust,  
G C  
We had a place that we could call home  
D C  
And a life no-one could touch.

(chorus)

Em  
Don't hold me up now,  
G  
I can stand my own ground  
D  
I don't need your help now,  
C  
You won't let me down, down, down.  
Em  
Don't hold me up now,  
G  
I can stand my own ground  
D  
I don't need your help now,  
C  
You won't let me down, down, down, ddoowwnn..

(filler)

(verse 3)

G C  
We are the angry and the desperate,  
D C  
The hungry and the cold.  
G C  
We are the one's who kept crying,  
D C  
And always did what we were told.

(verse 4) (a little more distorted for electric)

G C  
But we've sweaty when you slept so cold,  
D C  
In the safety of your home.  
G C  
We've been pulling out the nails that holds up,  
D C  
Everything you've known.

(chorus)

Em  
Don't hold me up now,  
G  
I can stand my own ground  
D  
I don't need your help now,  
C  
You won't let me down, down, down.  
Em  
Don't hold me up now,  
G  
I can stand my own ground  
D  
I don't need your help now,  
C  
You won't let me down, down, down, ddoowwnn..

(bridge)

C D C  
So open your eyes, so lets be on our way,  
C D C  
Broken windows and ashes guiding the way.  
C D C  
Keep crying no longer we'll sing through the day,  
C Em D  
The lives that we've lost, the lives we've reclaimed.

(solo)

(filler)

(chorus)

Em  
Don't hold me up now,  
G  
I can stand my own ground  
D  
I don't need your help now,  
C  
You won't let me down, down, down.  
Em  
Don't hold me up now,  
G  
I can stand my own ground  
D  
I don't need your help now,  
C  
You won't let me down, down, down.

(little mock-chorus at the end but same chords as chorus above)
