

Rise Against - Injection

Tom: **B**

Abm

Gb

Do you spend your days counting the hours you're awake?

Abm

Gb

And when night covers the sky you find yourself doing the same

Abm

Gb

It's a burden you've been bearing in spite of all your prayers

Abm

As a light turns off inside your heart

E

Gb

Can you remember what it's like to care?

Ebm

Gb

Knees are weak, hands are shaking, I can't breathe

Abm

So give me the drug, keep me alive

E

Give me what's left of my life

B

Gb

But let me go, whoaaa

Abm

Pull this plug, let me breathe

E

On my own, I'm finally free

B

Gb

And let me go, whoaaa

Abm

Abm

Gb

The trail of crumbs you left somehow got lost along the way

Abm

If you never meant to leave then you only had to stay

Abm

Gb

But the memories that haunt us are cherished just the same

Abm

As the words that bring us closer to the sky

Ebm

Gb

No matter how I pray that I fall through these clouds

Leaves me screaming....

Abm

So give me the drug, keep me alive

E

Give me what's left of my life

B

Gb

But let me go, whoaaa

Abm

Pull this plug, let me breathe

E

On my own, I'm finally free

B

Gb

And let me go, whoaaa

Abm

E

This grip loosens but it never breaks

(NEVER BREAKS!)

Gb

E

We carry nothing but a name you will forsake

Abm

E

Your words are always there to break my fall

(BREAK MY FALL!)

Gb

E

And I might find the comfort to see through it all

Abm

E

Guide me through uncharted waters

Gb

E

Before we lose our way again

Abm

E

Will you be my compass until forever?

E

Until forever ends!?

Ebm

Gb

Knees are weak, hands are shaking, I can't breathe

Abm

So give me the drug, keep me alive

E

Give me what's left of my life

B

Gb

But let me go, whoaaa

Abm

Pull this plug, let me breathe

E

On my own, I'm finally free

B

Gb

To let me go, whoaaa

(**Abm** **E** **B** **Gb**)

So let me go, whoaaa

So let me go, whoaaa
