

Rising Appalachia - Thankyou Very Much

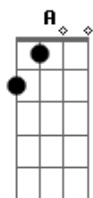

Tom: **A**

I am **A** humble
E I am holding the **Gbm** creative culture shift **D** unfolding.
A I believe that we will receive that through **E** song **Gbm**
 Beloved sound and art we are holding.
A I know sometimes it's hard **E**
Gbm But baby don't stop moving towards that fire. **D**
A I know, we ain't got too long **E**
Gbm We are mighty warriors stepped up in song. **D**
A And I said good morning Tuesday
E thanks for your song I like
Gbm Like when I roll out of bed
D and it carries me along and I
A I want to ask you for your lyrical touch to my? **E**
Gbm New found melody
D I said
A thank you very much
E Thank you very much

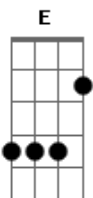

Gbm I said
D thank you very much
A Thank you very much,
E thank you very much
Gbm I said
D thank you very much ("break jam")
 (riff até o fim da musica)

I can hear them train tracks
 love the sound clickity clack
 We don't need no roads here,
 take me where the game stops
 I want to honor the all lessons of my father
 for my life and longer, together we are stronger.
 I want to sing all the songs taught by my mother.
 Be fierce but still be subtle let your life call out your
 rumble.
 And love, let me tell you, we are out to get 'em
 Nobody knows what hit 'em
 My love is made to lift 'em.
 I say thank you, I say thank you
 I say thank you, thank you very much
 I say thank you, I say thank you
 I say thank you, thank you very much
 000000, yeah
 000000, yeah yeah
