

Rita Ora - Follow Me (feat. Sam Feldt)

tom:

When the days stop pouring and the rain has dried
I know you're the person I want by my side
Scared to let my heart go free and dive in blind
'Cause love and heartbreak, they walk a thin line
Yeah, nobody can love me like you
But that means you got the power to hurt me too
When I fall in deep, say you'll follow me
'Cause I really need to know, that you'll stick around
When my walls come down
Won't be phased by what's underneath
Yeah, you know I've been hurt
But I'm learnin' what love's like
With you, like with you
Oh, wh?n I fall in deep, say you'll follow me
Show me how far we can go
Woah, oh, oh, oh, oh
Woah, oh, oh, oh, oh
Say you'll follow m?, say you'll follow me
Woah, oh, oh, oh, oh
Woah, oh, oh, oh, oh
Say you'll follow m?, say you'll follow me
I have my reasons for takin' it slow
'Cause we all got demons, yeah, we all got ghosts
But every time I've broken down, you've picked me up
Yeah, you put back all the pieces

I thought that I'd lost
Yeah, nobody can love me like you
But that means you got the power to hurt me too
When I fall in deep, say you'll follow me
'Cause I really need to know, that you'll stick around
When my walls come down
Won't be phased by what's underneath
Yeah, you know I've been hurt
But I'm learnin' what love's like
With you, like with you
Oh, wh?n I fall in deep, say you'll follow me
Show me how far we can go
Woah, oh, oh, oh, oh
Woah, oh, oh, oh, oh
Say you'll follow m?, say you'll follow me
Woah, oh, oh, oh, oh
Woah, oh, oh, oh, oh
Show me how far we can go
Woah, oh, oh, oh, oh
Woah, oh, oh, oh, oh
Say you'll follow m?, say you'll follow me
Woah, oh, oh, oh, oh
Woah, oh, oh, oh, oh
Say you'll follow m?, say you'll follow me
Woah, oh, oh, oh, oh
Woah, oh, oh, oh, oh
Say you'll follow m?, say you'll follow me
