

Rita Springer - I Have To Believe

Tom: E

I have to believe, he sees my darkness

I have to believe, he knows my pain

I have to lift up, my hands to Worship

Worship his name

I have to declare, that he is my refuge

I have to deny, that I am alone

I have to lift up, my eyes to the mountains, thats where my help,

it comes from

oh yeahhh

He said that he's forever faithful (oh i know it)

He said that he's forever true

He said that he can move mountains

If he can move mountains

He can move my mountain, he can move your mountain too

I have to stand tall, when the wind blows me over

I have to stand strong, when I'm weak and afraid

I have to grab hold, a hold of the garments, the garments of praise

oh i know

He said that he's forever faithful (oh i know it)

He said that he's forever true

He said that he can move mountains

If he can move mountains

He can move my mountain, he can move your mountain too

I have to sing praise, when the hour is midnight

He unlocks these chains, that bind up my soul

my sin and my shame he has forgiven, and made me whole

oh yeahhhh

He said that he's forever faithful (oh i know it)

He said that he's forever true

He said that he can move mountains

If he can move mountains

He said that he can move mountains

If he can move mountains

He said that he can move mountains

He can move my mountain, he can move your mountain too

(yeahhh)

I have to believe

I have to believe

He's got everything under control

I have to believe
mmm yeah

Lord I believe, help my unbelief

I have to believe in you

I have to believe
