Can you hear me?
F
Am I drowned out in the crowd?
Am
Are you listening?
F
Or is everyone else too loud for
C
You to hear anything
F
Are you just gonna walk away?
Am
Cause there are so many things I can
F
Do but instead I'll say
F
I'll try
Am
I'll try
C G
To let it go, let it roll right off my shoulders
F

Yes, oh I'll try
Am
I'll try
C G
To let it go, let it go and never look back this way
C F
Do you wanna be the one who points and blames?
Am
Makes us feel many things
F
Cause in a word I can't explain
C
Why it hurts so much, you see
F
We weren't born with all this pain, I guess that's anything
F
That keeps living day by day
F
I'll try
Am
I'll try
C G
To let it go, let it roll right off my shoulders
F
Yes, oh I'll try
Am
I'll try
C G
To let it go, let it go and never look back this way
F
Back this way
F
I'll try
Am
I'll try
C G
To let it go, let it roll right off my shoulders
F
Yes, oh I'll try
Am
I'll try
C G
To let it go, let it go and never look back this way
F
Never look back this way
