

Riverdales - Crash Of The Moons

Tom: **E**
Intro: **E**

E **Dbm**
Oh baby, oh baby, oh baby

A **B**
I wish I could go back, I wish I could go back

E **Dbm**
Oh baby, oh baby, oh baby

A **B**
I could be better than that, so much better than that

E **B**
What you don't know isn't gonna hurt you

Dbm **A**
We'll be long gone soon, from the crash of the moons

E **B**
And I just wanna tell you that I love you

Dbm **A**
We'll be long gone soon, from the crash of the moons

E **Dbm**
Oh baby, oh baby, oh baby

A **B**
This will be our last night, I wanna make it just right

E **Dbm**
Oh baby, oh baby, oh baby

A **B**
That kaleidoscope sky, shining on you and I

E **B**
What you don't know isn't gonna hurt you

Dbm **A**
We'll be long gone soon, from the crash of the moons

E **B**
And I just wanna tell you that I love you

Dbm **A**
We'll be long gone soon, from the crash of the moons

E **B**
What you don't know isn't gonna hurt you

Dbm **A**
We'll be long gone soon, from the crash of the moons

E **B**
And I just wanna tell you that I love you

Dbm **A**
We'll be long gone soon, from the crash of the moons

E
The crash of the moons
