

Rivers & Robots - In The Family

Tom: C

I have been redeemed
I've been set free
Pulled from the sea

And You came and brought me in
Defeated my sin
And called me You friend

Refrão:

Now I - I'm ali-ve in You God
I'm in the family now
And I'm satisfied in You God

Your love is everything

Oooh

(Dm G)

No longer slave to sin and death
You stepped right down into my mess
He ransomed me and paid my debts
And clothed me in His righteousness
My sin does not belong to me
The King of Love has set me free
He's taken off my filthy rags
And brought me in the family
