

Rivers & Robots - Overflow

tom:

G

All that my heart desires

I see in You my God

All that I'm longing for

Is found in You my God

Your love flows like a river to my soul

And You fill up my heart 'til it overflows

You make me come alive

Your spirit lives in me

You bring the dead to life

And cause the blind to see

Your love flows like a river to my soul

And You fill up my heart til it overflows

(G Bb Eb F)
(Cm Gm F)
(Gm Dm Eb Eb)

And so I bow

In humble adoration I surrender

Nothing else compares to knowing You God

Nothing else can ever take Your place

(Jonathan Ogden & Nathan Stirling)

So Lord I come

To give to You an offering of worship

Cause no one else is worthy of the glory

Dm Eb Eb

You alone deserve the highest praise
