

Riverside - We Got Used To Us

tom:
Capostrate na 3ª casa

[Primeira Parte]

When I scroll back through our recent days
I try to understand

How we could forget

We made a promise to one another

That nothing would ever break what we had

Now we never talk when we fall apart

We never talk when we fall apart

We pretend we're ok

Surrounding ourselves with one-way friendships

And so-called friends

[Refrão]

I know we got used to new us

And I don't want to be there

I don't want to be there

Where we are

I know we got used to new life

And I don't want to be there

No, I don't want to be there

Where we are

[Segunda Parte]

Silence fallen between

All the doors are locked

All the words unsaid

And we're still afraid of time

Started to keep ourselves

At a distance that we could control

Not too close

Not too far

Now we never talk when we fall apart

We just never talk when we fall apart

We pretend we're ok

By filling up our inner space

With little hates

And so-called love

[Refrão]

I know we got used to new us

And I don't want to be there

I don't want to be there

Where we are

I know we got used to new life

And I don't want to be there

No, I don't want to be there

Where we are

[Solo]

[Refrão]

I know we got used to new us

And I don't want to be there

I don't want to be there

Where we are

And I don't want to be there

No, I don't want to be there

Where we are

So walk away with me
