CAPO 3

Intro: D D C (2x)

Verse 1:

Don't let 'em get where they're going to
You know they're only what they think of you
You heard of this emotional trickery
And you felt like you were learning the ropes
But where you're going now you don't know

And when the kids on the street say
What's your problem, girl?

And the weight of their smile's just
Too much for you to bear

When they all make you feel
Like you're a problem girl

Remember you're no problem at all
You're no problem at all

D D C

D D C

Pride, like promises, can let you down
You thought that you'd be feeling better by now
And you worry all the things they could do to you
And you worry bout the things they could say
Maybe you're seeing things the wrong way

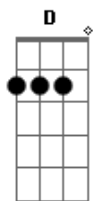

REPEAT CHORUS, ending with

You're no problem at all
Am C (2x)

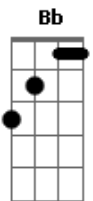

REPEAT CHORUS, ending with

Try
If you stand or you fall
You're no problem at all
You're no problem at all (you're no problem at all)
Don't let them get where they're going to (you're no problem at all)
Don't let them get where they're going to (you're no problem at all)
You're no problem at all
