

Robbie Williams - Nan's Song

Tom: G
Intro: D D A G 2x

You said when you'd die that you'd walk with me every day
Then I'd start to cry and say please don't talk that way
With a blink of an eye the lord came and asked you to meet
You went to a better place but he stole you away from me.
And now she lives in heaven
But I know they let her out.
To take care of me

Chorus:
There's a strange kind of light, caressing me tonight.
Pray silence my fear, she is near, bringing heaven down here.

D D A G 2x
I miss your love, I miss your touch, but I'm feeling you every day.
And I can almost hear you say 'You've come a long way baby?'.
And now you live in heaven

But I know they let you out.
To take care of me

Chorus:
There's a strange kind of light, in my bedroom tonight.
Pray silence my fear, she is near, bring your heaven down here.
Hm You taught me kings and queens, while stroking my hair
Hm And in my darkest hour, I know you are there
Hm kneeling down besides me, whispering my prayers.

Chorus:
Yes, There's a strange kind of light, caressing me tonight.
Pray silence my fear; she is near, bringing heaven down here.
The next time that we meet, I will bow at her feet.
and say wasn't life sweet then we'll prepare,
to take heaven down there
