

# Robert Plant - Killing The Blues

tom:

D

Leaves were falling, just like embers

In colors red and gold, they set us on fire

Burning just like a moonbeam in our eyes

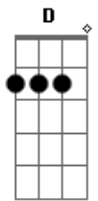

Chorus

Somebody said they saw me, swinging the world by the tail

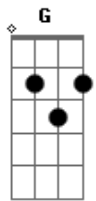

Bouncing over a white cloud, killing the blues

Now, I am guilty of something

I hope you never do

Because there is nothing

Sadder than losing yourself in love

(Chorus)

Now you ask me... just to leave you

To go out on my own

And get what I need to

You want me to find what I've already had

(Chorus) (2x)
