

# Roberto Carlos - Breakfast

Tom: A

As the sun fills the sky  
 And tomorrow turns into today  
 You are dreaming the morning away  
 Are you dreaming of me?  
 Think of the night  
 All the time for our love is so right  
 I want so much for you to be mine  
 And the world will be ours  
 As the sun fills the sky  
 I will order a breakfast for two  
 But my hunger in only for you  
 Let me love you again  
 Let's take some time  
 There'll be nothing to take us outside  
 And there's nothing but you on my mind  
 Only you in my heart  
 I don't believe  
 There's a reason to go anywhere

Why should I leave  
 All I need is right here, here with you  
 As the sun fills the sky  
 We're just letting our breakfast get cold  
 But we must let the story be told  
 If it takes the whole day  
 It's paradise  
 I can see all my dreams in your eyes  
 And tomorrow we'll watch the sunrise  
 And have breakfast again  
 It's paradise  
 I can see all my dreams in your eyes  
 And tomorrow we'll watch the sunrise  
 And have breakfast again  
 And have breakfast again  
 Nos lençóis macios, amantes se dão  
 Travesseiros soltos, roupas pelo chão  
 Braços que se abraçam, bocas que murmuram  
 Palavras de amor, enquanto se procuram
